Who We Are

The Dedicated and Supportive Parents (DSP) is the parent support group for parents of students in the school. We have 5 broad objectives:

01

SUPPORT TEACHERS AND EDUCATIONAL PROGRAMMES

DSP members volunteer their time and expertise to support the school in the running of key events.

02

BE PARENT AMBASSADORS FOR THE SCHOOL

The DSP engages the wider parent community to hear their views and represent them to the school. Similarly, the DSP supports the delivery of key messages to parents.

03

DIALOGUE ON EDUCATIONAL POLICIES

DSP members have opportunities to engage the school on the latest changes to the educational landscape.

04

MAKE PARENT VOICES HEARD

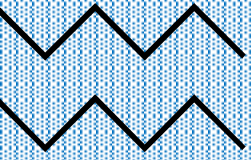

The DSP have opportunities to be heard and contribute to school decisions when invited.

05

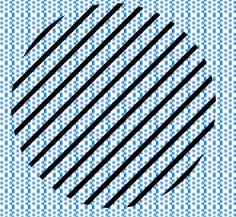

PARTNER THE SCHOOL IN OUR CHILD'S DEVELOPMENT

The DSP collaborates with the school in imparting values through role-modelling.

DSP is good for you

Research has shown that children whose parents are involved in their educational journey have been found to:

- have better self-esteem
- are more self-disciplined
- show positive attitudes
- exhibit higher aspirations and motivation towards school.

You are not alone. Learn from the experiences of other families.

Understand that there are no “perfect” parents or “perfect” kids.

Have a support network to turn to for information, resources, parenting tips, friend, or just a listening ear.

It is Self-Care 😊
